

TOUR NIEVE Y FUEGO

This excursion takes place in the evening, starting around 6 pm when we pick you up from your and transfer you to our refuge in Tierra Mayor Valley. We will start with a small walk a torch-lit trail leads us to Nunatak, our cabin in the forest, where the guide welcomes us and informs us about the

activities we will undertake. We equip ourselves with flashlights and snowshoes to navigate through deep snow, crossing the snowy valley. If the sky is clear, we take the opportunity to appreciate the immensity of the starry sky. When we arrive at the Refugio del Hachero, meeting place for dinner, they will wait for us with mountain stew made with firewood, a glass of wine and dessert.

A guitar in the skilled hands of our guide encourages us to sing some songs and uplifts the spirits of those present. Around 11 pm, we begin the return journey, some on dog sleds, others on snowmobiles, depending on their previous choice. Once back at Nunatak, start the return to the city.
