

## HELICOPTER FLYOVER WITH LANDING IN LOS ANDES

This marvelous experience begins flying over the **Ushuaia Bay** , to later enter the **Olivia River Valley** , appreciating the majestic **Mount Olivia** and the characteristic **Mount Cinco Hermanos** . Just when the immensity begins to take your breath away, you will see the Carbajal Valley, with its particular composition of peat formed over thousands of years. Housed in a second mountain range, like a great natural jewel, you will find a water mirror called Laguna Esmeralda, due to its extraordinary color, which stands out mainly during the summer.

Throughout the Valley, the tour continues, with a unique landscape in the world; You will see winter activity centers among which the one of **“Cerro Castor”** stands out , the southernmost ski center in the world. A few minutes later, after crossing the **Encajonado River Valley** , we make a stop to contemplate, in the midst of that extremely cold stillness, a magical environment from which the most incredible and southern images emerge. In this exciting moment, you will make a toast with champagne before taking off again to Ushuaia. . **An exciting experience that will remain among your best memories!**
